

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized within the business as durable and strong machines which satisfies all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company who is currently also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could provide warranty service, machinery and parts for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of numerous facility managers where efficiency and results count. Recently, this floor scrubber model has been requested by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
