

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They like offering items that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both parts and technical support available when it is required. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machinery ready and working day after day is top priority. The company's top of the line technology delivers reliable machinery that eventually lessens your cleaning cost. The price, the service and the product all work together to make them an industry leader.
